# Trinity Baptist Church Welcomes You!

*"for everyone who exalts himself will be humbled, and he who humbles himself will be exalted."*

[Luke 18:13-15](#)

*Jesus identified the contrast between pride and humility, between those who exalt and those who humble themselves. God **will** bring down the **proud** and will **exalt** the **humble**.*

### SHARING THE GOSPEL

When is the last time you shared the gospel? That is a question I ask the Wednesday night crowd on a regular basis. So when was it for you? Now remember, sharing the gospel doesn't mean asking people to church or just talking about God to someone. It is sharing with someone how the Lord Jesus came and died for the sins of all people, was buried and was resurrected. It is telling people how Jesus paid our debt off, took our punishment from God the Father.

Have you done that lately?

Look, I know a lot of people are shy about talking to people about the gospel. Some are just naturally shy. Others do not "feel" worthy to share. Still others feel like they don't know enough Scripture to share. Well, if you've been saved all you need to do is share what He has done for you. That's what Paul did in Acts 26 while standing before King Agrippa. He told the king about being on his way to Damascus to persecute believers (before salvation) then told him how Jesus intercepted him and saved him (salvation) and also about what Jesus told him to do afterward and how he was obedient to do it (after salvation). You too should have a "before salvation", "salvation experience" and "after salvation" testimony. If nothing else, share what Christ has done for you.....if you've had the experience.

Love in Christ.....Bro. Cain
